I write to inform you that following a preliminary examination of the admissibility of the above application on 14/03/2018, the Vice-President of the Section to which the case had been allocated decided, under Rule 54 § 2 (b) of the Rules of Court, that notice of the application should be given to the Government of Ukraine and that the Government should be invited to submit a statement of facts together with written observations on the admissibility and merits of the complaints under Articles 6, 8 and 13 of the Convention.

You will find enclosed an information note to applicants on the proceedings after communication of an application.

I would inform you that at this stage of the proceedings, according to Rule 34 § 3, all communications of applicants or their representatives shall as a rule be made in one of the Court's official languages, English or French.

Public access to case

I should draw your attention to Rule 33 of the Rules of Court, according to which documents deposited with the Registry by the parties or by any third parties are to be accessible to the public, unless the Vice-President of the Section decides otherwise for the reasons set out in Rule 33 § 2. It follows that as a general rule any information contained in the documents which you lodge with the Registry, including information about identified or identifiable persons, may be accessible to the public. Moreover, such information may appear in the Court's HUDOC database accessible via the Internet if the Court includes it in a decision or judgment.

Yours faithfully,
